# Meyer TIMBER<sup>®</sup> meyPORTAL

**Anywhere. Anytime.**

## **Delivery**

Know when your orders have progressed from the picking process to a scheduled delivery. The knowledge of orders in the final stage of dispatch allows you to plan ahead!

## **Order Processing**

Place your orders live from any device, anywhere, anytime. The complete range of Meyer Timber<sup>®</sup> products can be ordered at the click of a button, and for the paper lovers out there yes you can print your order!

## **Discussions**

Chat with our experienced customer service team. Chats can be launched from your purchase order linking valuable reference information for both you and our team, resulting in faster and more efficient trouble shooting. We are up for a chat anytime!

## **Price Lists**

Price Lists are updated live.

Access to future price fluctuations and notifications. Don't search through pages and pages of price lists... Search ANY product for a fast price reference.

## **Admin - Invoices & Statements**

This feature is a powerful reference tool for your entire team. Proof of deliveries including Production and Site Photos, Invoices, Credits and Statements all at your fingertips.

## **Multiple User Access**

meyPORTAL is not restricted to one user, you can have multiple members of your team using meyPORTAL at any one time... anywhere!

## **Getting Started - Let Us Help!**

We have dedicated staff who are our meyPORTAL "specialists" who will help in getting you and your team up and running. We will walk through each function with you and in no time you will be an expert!

## **Access to meyPLAN & Product Brochures**

Direct Links through to meyPLAN is simple, along with access to product brochures and technical notes are available with a swipe and a click in no time.
